Sewage Floods School Yard; Emergency Crews Summoned

Emergency crews from city of Daly City were called in Tuesday by the North San Mateo County Sanitation district to aid in unplugging a 15-inch trunk sewer line that has been overflowing on Benjamin Franklin school playfield almost continuously since Sunday.

The main transmission line, which carries sewage from Broadmoor and Garden Village, has been blocked since Sunday, and all efforts to free the pipe have failed.

As a result of the stoppage, sewage has been backing up in to the manholes at the rear of Benjamin Franklin school in Broadmoor overflowing on the ground, covering an area about 75-feet square up to a depth of six inches.

Sanitation district crews worked on the blocked line all day Sunday, to no avail, and commenced work again early Monday morning.

Night Stint

Finally 12 workmen from Daly City were called in Tuesday night, laboring from 5:30 p.m. to 1 a.m. to no avail.

City Engineer Cyril Weiler said the stoppage would not seriously affect sewage disposal facilities, but would result in continual overflowing on the school premises. He declared the sewage would not back up past the manholes. The health factor was cited and parents were urged to keep their children away from the area.

Crews continued working Wednesday and up to press time were still unable to dislodge the material believed to be huge blocks

had no idea how big the line, but spokesman from the sanitation district blames the problem on the Jefferson Elementary School district. He claimed that when the school district graded over the sewage district's pipes, without their permission, they may have fractured one of the lines. As a result, he speculated, dirt and rocks were forced through the break because of the weight of the dirt above the line.

No Dynamite

Weiler discounted the report that the workmen would have to use dynamite to clear the pipe, although he revealed that, "efforts too clear the line with all conventional methods have failed." He said use of dynamite might break the pipe.

The pipe is one of three principle lines carring sewage to the treatment plant in Westlake.

In all, 10 members of the Daly City street department, two sanitation district maintenance men, and one Daly City fireman have been called in to avert the serious stoppage.

Salaries are being paid by the sanitation district, under an agreement between the two governing boards.

MCKEON ANNEX TO FACE FINAL HURDLE TUESDAY

Last hurdle in Daly City's quest to annex 345 acres of uninhabited property will be met Tuesday at a hearing before the San Mateo county board of supervisors.

The session is to hear pros and cons of annexing the land to the North San Mateo Sanitation district.

Opposition, if any, is expected to come from Thomas Callan Sr., chairman of the board of supervisors and a director of the local sanitation district.

Callan has argued that the 2600-home subdivision proposed by Zita corporation, owners of majority of the land being annexed, should be held solely responsible for installing a main sewer transmission line from their lands to the 87th and Washington street tie-in.

Supervisor Thomas Callan said today that he would ask for a continuance of Tuesday's hearing on the annexation of 345 acres of property to the North San Mateo County Sanitation district.

"We only got the maps from McKeon Monday," he said. "I've asked for the sanitation district engineer to report back to us at the next meeting." The next sanitation district meeting won't be held until December 3.

"I'll ask for a continuance of the matter until I'm sure the sewer plant can handle this new area," the supervisor declared.

Should a majority of the county board of supervisors go along with Callan, the hearing might be delayed until early 1957.

Councilman Sanford Vickers sided with Callan in this contention, and because of his "delaying tactics" on the annexation, was removed from the sanitation board.

Shows Statistics

At Monday's meeting of the sanitation district George McKeon of the Zita Corporation appeared with maps and statistics in an effort to prove his contention that his subdivision will more than pay for installation of the transmission line, estimated to cost $35,000.

He claimed that the present sewer line system would eventually prove inadequate under present district boundaries and that difference in cost between installing a new line to handle the expected growth and a larger line to take in his subdivision would be about $8900.

The sewage district's annexation fee of $25 a lot, he continued would bring in revenue in excess of $60,000.

$50,000 Revenue

Thus, he explained, the district would realize more than $50,000 in actual revenue from the annexation. Figuring cost of the new transmission line at $35,000, the district would still have "quite a surplus to make other improvements," McKeon declared.

He also emphasized that the

Poundman Due Back Following Sickness

Charles Maschinot, Daly City poundman, is scheduled to return to work next week, after being hospitalized as a result of an infection contracted from a dead animal.

Maschinot recently spent five days in the hospital, after a lymph gland under his arm swelled up from the infection.

Authorities at the hospital said the poundman apparently became infected through an open cut on his hand. In the course of his duties Maschinot often has to handle dead animals.

The job of poundman has been held temporarily by a member of the street department during Maschinot's absence.

Lions Laud Markovich At Dance

An estimated 600 persons turned out at the Daly City community center Saturday night to dance to the music of Del Courtney as the Daly City-Colma Lions club presented their annual fund-raising dance.

Special feature of the evening was presentation of awards to three citizens by Rosalind Reinstra, "Miss Daly City."

Peter Markovich, insurance agent, was accorded the honor of "outstanding citizen of Daly City-Colma community for 1956." Markovich is well-known locally for his charitable works and efforts for schools and community projects.

Ira Neville, auto dealer, was named "most illustrious Lion" of the Daly City-Colma club. Neville, secretary of the local club, was cited for his activity in all club affairs, including zone and regional activities.

The title of "Lioness who deserves the gratitude of all local Lions" went to Mrs. Ira Neville, who was lauded for her "keen interest in the activities of the Lions and her readiness to lend a helping hand to any project where she can assist."

Only honoree not present to receive an award was Miss Jayne Mansfield, whom Daly City Lions named their "favorite television-motion picture actress."

Each of the three local persons chosen to be honored were presented with a gift purchase certificate supplied by the following firms: Ray-Al's Men's Shop, Daly City Cleaners and Spotlite Market.

Tabulations for the awards were made by Lion zone chairman Emil Schultz while H. Z. Weibel served on the selection committee.

DC Teenager, 15, Admits She Shared $439 Theft Here

A 15-year-old Daly City girl helped police to solve a $439 burglary here last week—she came to the station and admitted she took part in the raid.

Victim of the theft Tuesday was Robert G. Cook, 41 Guadalupe street, who reported that in addition to removing clothing and other articles from his home the thieves smeared food around his kitchen.

The Daly City girl surrendered meekly the next day at police headquarters. Her accomplice, a 16-year-old from San Francisco, was picked up shortly thereafter. She had been living at the younger girl's home and quickly confessed her guilt, police said.

The pair were turned over to juvenile authorities, Cook was glad to get his property back and police were thankful for the quick wrap-up of the case.

Local Engineer, 48, Arrested Here On Shoplifting Count

A 48-year-old Daly City engineer was arrested here Saturday afternoon for allegedly shoplifting $5.74 worth of items from King's Market.

Booked was Herschel Speck, 646 San Diego avenue, on complaint of Leroy Krueger, King's manager, who along with James McMamara, head clerk, held the suspect in the parking lot until police arrived.

Postmaster Sees Record Yule Mailing; Asks Aid

Postmaster Vincent P. Murphy today urged the residents of Daly City to shop early and to mail early this Christmas season to facilitate the processing of the, "largest Christmas mailing in the history of the Daly City Post Office."

To put off mailing Christmas cards and parcels until the last moment results in an extra burden being placed on the postal employees and on an already strained postal installation in Daly City, Murphy pointed out.

Every facility of the Daly City post office will be pressed into maximum service so that again this year, as in the past the local post office will be cleared of all Christmas mails by Christmas eve.

"There are still some people who retain the mistaken idea that a gift or card arriving on Christmas Eve has a special significance," Postmaster Murphy said. "It is the thought behind the gift or card, and not the time of arrival which the recipient considers above all."

In an appeal to all citizens of Daly City, Colma and the unincorporated areas, Murphy praised their cooperation in the past, and asked that this cooperation be given once again this year. "We want to assure all patrons of this office that all Christmas mail will be delivered before Christmas Eve," Murphy stated.

Scouts Launch Campaign To Recruit 375 Members

An intensive recruting campaign aimed at increasing Lake Merced Scout district enrollment in Cub Packs and Scout Troops by 375 boys was launched this week.

Al Beerbower, district chairman of organization and extension, said a goal of 2125 boys in Cubbing and Scouting will be sought between now and December 31. There are currently 1750 Cubs and Scouts enrolled in the Lake Merced district program.

Volunteers throughout the district are participating in the program, which is aimed primarily at enlarging membership in existing Cub and Scout units rather than forming new units. Beerbower said, however, that formation of new units will still comprise an important part of the drive.

Prizes will be offered for the units showing the most total increase and the best percentage increase.

Beerbower said the Daly City area "already has an excellent record in Scout participation, with almost half of the eligible boys part of the movement. But will still strive to increase membership here in the present units.

Police Book Pair For Fight Outside Tavern On Mission

A fight outside a tavern on Mission street resulted in the arrest of two men Saturday night on charges of disturbing the peace.

Booked were combatants Joseph N. Frank, 41, a carpenter from Victoria B. C., and Richard G. Tyson, 37, a truck driver of 273 D Los Olivos stret.

When Police Officers George Brooks and Richard Sims arrived on the scene they said Tyson was sitting on his "opponent" and was beating him. There was no explanation as to the cause of the conflict.

Bail for both belligerents was set at $50 cash or $100 bond.

CALL BIDS FOR $11,000 SEWER ACROSS ALEMANY

Bids were called for this week for construction of an Alemany boulevard sewer crossing project, estimated to cost $11,000.

North San Mateo County Sanitation district directors approved plans and specifications for the project at their Monday session.

To be partially financed by the district's $5411.07 in state Chapter 20 funds, the crossing will be a supplemental main trunk sewer which will tie in the treatment plant with existing lines from the Colma area. The 18-inch line will help relieve existing facilities.

Bids will be opened at the December 17 board meeting.

In other action Monday, the board:

1. Received letter from state regional water pollution control board recommending that a bar screen be installed at the district's ocean outfall to prevent clogging of the drain. Since the directors asserted that most of the debris is brought down by Daly City storm water, they said that if Daly City would install the bar screen, they would maintain it.

2. Voted to purchase gasoline from the city of Daly City.

3. Directed attorney James Morton to request the legislature for an amendment to the health and safety code which would permit

Thief Ruins Big Night For Lions Club Prexy

Saturday night's big Daly City-Colma Lions Club dance at Community Center was a "rousing success" but Roy Arneson, club president, didn't go home happy.

Arneson, 47, a service station operator of 202 88th street, returned to his car on Mission street to discover his spare tire and wheel stolen from the trunk.

He told police he apparently forgot to lock the trunk. He estimated the loss at $75.

BOOK SF BARKEEP HERE ON CHARGE OF DRUNK DRIVING

A 49-year-old San Francisco bartender was booked here for drunk driving early Wednesday morning after police said they spotted his car weaving in and out of traffic on Mission street.

Joseph W. Caputo, 172 Harvard street, was taken to Junipero Serra hospital where a sobriety test proved positive.

He posted $500 bond and is scheduled to appear in municipal court next Thursday morning.

'Belligerent' Truck Driver Battles Cops

A 20-year-old local milk truck driver was arrested here Tuesday afternoon on a drunk charge and four other counts after police picked him up for causing a disturbance in a coffee shop on Mission street.

Booked was Joseph Langensand, 427 Templeton avenue, who was cited for being drunk in a public place, disturbing the peace, assault and battery and resisting arrest.

When officers arrived on the scene, they said the truck driver was sitting on the counter and using profane language. He became "belligerent" when they told him he was under arrest and struck Officer James Sunderland en route to the station, police said.

Once inside police headquarters, officers said Langensand threatened "to get even" and twice tried to break away. After a short scuffle he finally was handcuffed. Hurt in the brief melee were Officers Sunderland and George Brooks.

Langensand was released on $250 cash bail. Date of his appearance in municipal court was not determined at press time.

GIRL, 16, FAILS IN SUICIDE TRY BY PILL OVERDOSE

A 16-year-old high school girl was unsuccessful here Sunday night when she tried to end her life by swallowing a dozen nitroglycerine tablets.

The near-victim's mother told police her daughter was despondent because she had been reprimanded a few minutes earlier for coming home "in a drunken condition." The woman added that the girl had been fretful of late since "she had been forced to remain home nights the past month."

Officer Richard Sims was summoned to the home and he rushed the girl to Junipero Serra hospital. Attendants brought her out of danger by using a stomach pump. She later was transferred to Community hospital for 72 hours' observation.

The nitroglycerine tablets are used as a heart stimulant and when taken in too great number can produce fatal results.

'Prankster' Calls Jeff Three Times

Exasperated Jefferson High School district officials were still conducting a concerted hunt at press time to find the perpetrator of Tuesday's "bomb scare" at the high school plant, the seventh in San Mateo county in a month.

Following the pattern of the six other incidents at Peninsula high schools, the hoax started with an anonymous phone call.

At 11:35 a.m. Tuesday, while 800 Westmoor High school students were in class, secretary-clerk Francis Johnson picked up the phone to hear a youthful male tell her, "I didn't want anything to do with it, but a bomb has been planted in one of the lockers."

Sound Alarm

She notified principal Glenn South, who had the fire alarm bell sounded. The entire student body was out of the building in one minute, half of them gathering at the rear of the gymnasium, the other half in the front of the school on Mission street. Officials said the students believed the alarm to be just a routine fire drill.

Meanwhile, Daly City firemen and policemen moved in and scoured every locker and room in the building in the search for the non-existent bomb. Officer Jim Welsh led the demolition detail.

At 12:35 p.m. a second call came in, this time to Dorothy Paulson, assistant to superintendent Edward Morgan. In a voice that Mrs. Paulson described as that of an adult, the anonymous caller said, "If you haven't found the bomb yet, take a look under the statue on the lawn." Morgan explained that there is no statue on the lawn.

Third Call

A third anonymous call came at 1:35 p.m. A muffled voice told clerk Barbara Rapkin, "It's set to go off at 2:30."

Morgan said police were notified again but Jefferson students were not evacuated, in keeping with a policy of "cautiously ignoring" the calls. The premises were not re-checked, since they had been thoroughly covered in the morning search.

"We checked with San Francisco police," Morgan said. "They've had a rage of this stuff lately. There was a bomb scare at Riordan High school that same morning. We decided to keep classes in session and cautiously ignore the calls, should any more be made." Morgan said San Francisco authorities have been assigning plain clothes men to investigate the hoaxes.

Because Westmoor classes end at 12:15 p.m., school was not resumed for this group after the initial alert but classes for Jefferson,

TV column in THE RECORD last week you probably thought her lead sentence on the confusing side.

It read, "Soft red hair pulled back simply in a pony-tail hair style walked into the room and faced the press."

The sentence should have been prefaced with the name of the wearer of the "soft red hair," etc., PIPER LAURIE.

We had the pony tail but forgot to pay the piper.

The new landlords of the Broadmoor shopping center are real promotion minded (have you noticed the signs, refurbishing and what not?) and the marts will soon cut loose with a newspaper-radio advertising campaign.

Daly City-Colma Lions and their guests had a good time Saturday at the annual dance, but the Lions were growling at the comparatively poor attendance and lack of revenue over the plank.

Big drawback, according to a consensus, was holding the to-do at the Daly City community center, where sale of hard liquor is taboo.

"Next time we'll go for Colombo hall," one disgruntled Lion avowed.

new homes would share in the district's bonded indebtedness, thereby spreading the cost over a wider area.

Callen was non-committal at Monday's sanitation board session, but observers declared, "he appeared to go along with the annexation after McKeon's presentation."

No vote was taken at Monday's session since the directors in an earlier split vote passed a resolution declaring the annexation "beneficial." Callan voted "no" on the resolution at that time.

Boys, 11, Injured In Bike Crack-up

Two Westlake youngsters, both 11, sustained injuries Saturday morning when they fell off a bicycle near the intersection of Southgate avenue and Lynnewood drive.

Victims were Andy Rudovosky, 30 Westridge avenue, and his rider, Arthur Baliantz, 24 Crestwood avenue. Police said the Baliantz youth was riding on the handlebars when his legs got tangled in the front spokes and caused the spill.

Rushed to Junipero Serra hospital, Rudovosky suffered a concussion and multiple abrasions of the face and elbows. He later was transferred to St. Mary's hospital in San Francisco. Baliantz was released after treatment for abrasions on the elbows.

(Continued from Page 1)

which start at 12:30 p.m. were delayed more than a half hour by the bomb search, so the youngsters were kept in school until 5:45 p.m., 45 minutes past the regular closing time.

Make Up Time

Morgan said the Westmoor students would also have to make up the time missed. "I don't know how we'll do it," he said, "but every minute of classroom time missed because of this hoax will have to be made up." A similar policy has been adopted in other county schools that have been victimized by the morbid prank in an attempt to discourage further scares, most of which are believed to have been pulled by students.

Jefferson High school principal John Mongan said there was a pretty good chance that the anonymous caller might be detected, on the assumption that "high school kids don't keep secrets very long." Morgan said the first call was probably made by a Jefferson student, since that group attends sessions in the afternoon.

Bomb scares have occurred in six other peninsula high schools in recent weeks—two at San Mateo, two at Capuchino, one each at Hillsdale and Burlingame.

In all but one case, nothing even resembling an explosive was found. At one of the San Mateo incidents, police found a harmless home-made mock bomb.

Morgan praised the work of Daly City police and fire departments, led respectively by Chief Elmer Kennedy and Lt. Roy Beecher, in responding "within seconds" to the scene after the initial alert.

A standby fire department crew remained at the school Tuesday afternoon to keep surveillance should further calls come in.

New Face on Old Dresser

JUST about any decrepit, old-style dresser can be modernized—say, for a teen-age girl's room. It'll be mighty smart finished in black and white, black and yellow, or black and Chinese red.

First, tighten the joints. Take off the door handles and then remove the old finish or cover it with a clear sealer in which color in oil has been added. Instead of just painting the top black and

thereby failing to cover up any scratches or surface gouges, use a piece of Masonite black Tempered Presdwood, ⅛" thick, cut to size and beveled around the front and side edges. Fasten it securely with wallboard cement and weight it heavily with books until it has set firmly.

This extremely smooth black hardboard, dyed during its manufacture, won't show cigaret burns. To give it an attractive gloss, use a black penetrating sealer. This all-wood hardboard is virtually indestructible.

To further modernize the piece, remove the mirror and hang it, or its successor, on the wall. Also remove the legs and build a recessed base of lumber, covered with some of the black Tempered Presdwood. Replace the old-fashioned drawer pulls with square blocks of wood to which some of the black hardboard is fastened with screws. Leave a small overhang to permit a fingerhold.

The presentation of "The Man Who Came to Dinner" was greeted with tremendous ovations during both nights at which it was given in the round in the school auditorium. The audience, which was seated on risers around the stage, consisted of approximately 220 students and adults at each performance. Some of the highlights of this comical play were: the presence of the famous Sheridan Whiteside and his uncontrollable temper and domineering attitudes, Harriet's persistent but eerie appearances, Dr. Bradley's brief, yet hilarious entrances, the sight of the humorous Banjo carrying in the surprised and indignant Miss Preen, and the removal of the mummy case containing the affected actress, Lorraine Sheldon.

"Good Citizen"

Marilyn Delbon has been chosen as Jefferson's "Good Citizen of the Year" by the members of the school faculty. She will represent Jeff in a statewide contest which will take place at a later date. Others who were also taken into consideration for this great honor were Angela Sunderland and Mary Ann Pace.

At the rally held last week, Don Pitts, KGO Radio disc jockey, and Johnny Mathis, Columbia recording star, were presented as part of the featured entertainment. Among the numbers that Johnny sang for the eager group was "My Funny Valentine," one of his personal favorites. Both celebrities appeared through the efforts of the rally committee.

San Mateo's Bob Kille Earns 'Player of Week'

Halfback Bob Kile of San Mateo is the North PAL's "Player of The Week" for his performance Friday against Carlmont. Kile scored three of the Bearcat touchdowns in the 26-6 win and picked up 131 yards on 20 carries. In addition, he caught four passes for 76 yards.

Palo Alto's Mike Mace, extra point kicker, got the sportwriters' nod in the South PAL. His three conversions Friday helped the unconquered Vikings nip Willow Glen, 27-25. Victory was the 13th straight for Palo Alto and assured them of at least a tie for the southern division title.

Highway Patrol Warns Motorists On School Buses

Red lights flashing from the top of a school bus means stop, says the California Highway Patrol.

"Motorists approaching a school bus stopped beside the road with red lights flashing must stop and not pass the bus until the lights are turned off," declared Patrol Commissioner B. R. Caldwell.

"These lights are used by the school bus drivers when children are about to cross the street or highway."

"It should also be emphasized that motorists are not required to stop if the lights are not lighted or if the bus is on the opposite side of a divided highway," Caldwell continued. "Full caution is necessary for safety and everyone should be sure they know the rules concerning school buses and obey them.

Remember, red lights indicating whether children are to cross the roadway or not are located near the top of the bus, two in front and two in the rear," he concluded. "To avoid an accident involving a school bus or its riders, obey the red lights on the bus, stop if they are flashing, do not stop, but proceed with caution if they are not lighted."

"THE SPIRIT OF '96" -- MISSION CIRCLE

Sometimes the wheels of government "grind exceeding slow."

A somewhat sorrowful example is the status of the ramshackle building at 96 Mission Circle.

With a history as a public nuisance dating back nearly 15 years, the vacant building still sits, a fire trap stuffed with rags, papers and paint . . . a monument to inaction and procrastination.

On April 16, 1953, abatement notices were posted at this address. The owner was summoned and ordered to show cause why the property should not be abated.

On May 6, 1953, a letter was addressed to the council by Eugene Howell, public health engineer for San Mateo county, who cited the health hazards of these premises.

In that same month, the owner was given a 30-day notice to clean the property, which had been declared a public nuisance. The Daly City fire chief and building inspector both appeared before the city council and urged that the building be torn down if health and safety hazards were not eliminated.

Despite pleas by all these various public officials, nothing has been done to improve the property. If anything, its condition has worsened. It is a blight on all property in the neighborhood.

On Nov. 22, 1954, the city attorney informed an adjacent property owner by letter that, "We have contacted the estate of the late Mr. Roberts (owner of the condemned property) and should no action be taken by them, we shall propose a court action on this matter."

A city that is expanding outward by leaps and bounds should not overlook the mending of its internal "fences."

Ninety Six Mission Circle is a mockery of progress.

Something For Everyone

"It's Always Book Time" is the slogan which has been chosen to highlight the 38th Annual Children's Book Week starting November 25 and extending through December 1. The purpose of Book Week is to focus attention on the importance of good books for children.

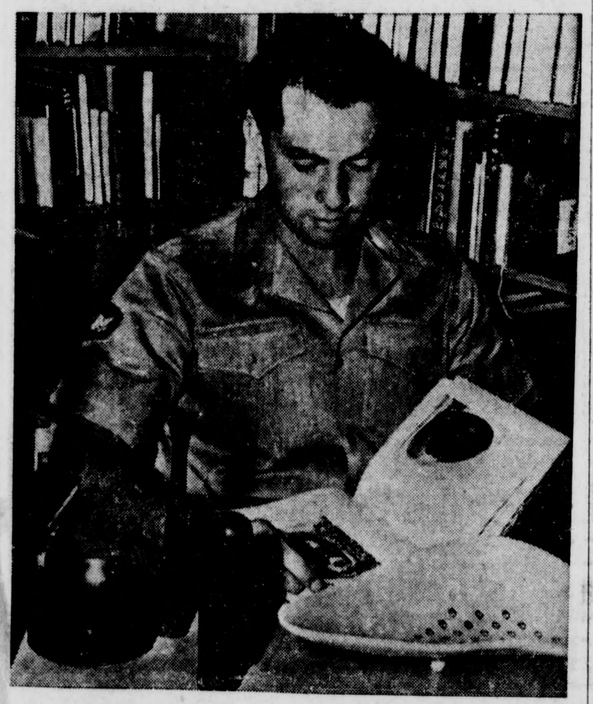

The Daly City Public Library is participating in the celebration by extending an invitation to all boys and girls in the area to visit the library and to be introduced to the fun of reading good books. Special book marks will be given away, and a story hour has been scheduled for Thursday afternoon, November 29 at 3:45 p.m. In addition, visitors next week will have an opportunity to view the results of newly finished renovation of the Library. The Children's Room will be sporting a new coat of paint and new flooring.

Book Week was started in May of 1919 by Franklin K. Mathiews, Chief Boy Scout Librarian, who suggested the idea to the National Booksellers Association. This idea of a National Children's Book Week has been gaining popularity ever since, and today is being observed all over the world. In these uncertain times it is felt that books can play a vital part in the life of the growing child, and Book Week emphasizes the value of bringing youngsters and good books together.

Some suggested children's titles for Book Week reading are: BABAR'S COUSIN by Laurent de Brunho, PINTO'S JOURNEY by W. S. Bronson, PETE THE PARAKEET by Irma Black, ANDY AND THE LION by James Henry Daugherty, CHILD'S BOOK OF FAMOUS COMPOSERS by Gladys Burch, and HANSI by Ludwig Bemelmans.

A few other suggested books for good reading are: THE CALIFORNIA GOLD RUSH by May McNeer, PUMPKIN, GINGER, AND SPICE by Margaret Otto, THE SITTER WHO DIDN'T SIT by Helen Walker Puner, WONDERS OF THE SEA SHORE by Jacquelyn Berrill, DINOSAURS by Herbert S. Zim, and CHARLOTTE AND THE WHITE HORSE by Ruth Krauss.

The books mentioned above are available at the Daly City Public Library, 6351 Mission street, or the Westlake-Broadmoor Branch Library, 34 Park Plaza drive, in Westlake Shopping Center.

DALY CITYAN Pfc. Gordan R. deLeon, son of Mr. and Mrs. Manuel P. de Leon, 6789 Mission street, reads up on his favorite hobby, woodcarving, at Fort Sam Houston, where he is a chaplain's assistant at Brooke Army hospital. He entered the Army in July last year after graduating from Pacific Union College in Angwin, California. Gordon and his wife, Donna, live at 407 E. Locust street in San Antonio.

Village Notes

By Gwin Mitchell

PL 5-0679

With Thanksgiving in the offing, there is still time to slide in a birthday party or two. Linda Henry of Village Lane marked her 7th by a sort of double celebration—she had her first Brownie meeting, and a party to boot. Young guests sharing the cake and ice cream were Connie Manis, Janice Garrety, Steve Manis, Robin Gollobic, Ricky Gollobic, Diane Bruch and Nan Miller.

Not to be outdone, Jimmy Buchanan had a 9th birthday. Over on Manila, a group of pirates gathered to hunt "hidden treasure" prizes and to enjoy pirate favors and food. The villainous crew was composed of Lee Williams, Tim and Steve O'Brien, Brad Cunningham, Ted Cordano, Ken Delfino, Peter Blatchley, Rocky Collins, Bobby Rice, and Jack, Dick and Tom Crofton.

Halfway between, with eight years to her credit, came Karen Mattson of Midway. A happy group met at her home to make popcorn balls, play games and enjoy each other's conversation over refreshments. Guests included Cindy Travinsky, Renie Locke, Dennis and Alec Mattson, and Christine Gallagher.

Two more birthday young'uns were Donny Williams, who invited 88th street neighbor Claudia Bottington and her mother over to share a special 8th birthday dinner, and Nancy Dethlefsen of Foothill, who had the neighborhood girls over to help make her 7th birthday a day to remember. Karen Guymon, Debbie Leech, Ginny Jones, Claudia Guz, Phyllis Chiosso, Georgiana Livingstone, Kathy Mahoney and Chrissie Dethlefsen were the neighborhood girls!

This and That: In line with nearly everybody else in the Villages, Rose Davy painted her kitchen. Location of kitchen—Edgeworth. Color — blue. . . . Everyone who has ever heard Ruth Petrie play the piano comes away wishing he could play half that well. She can do things to an ordinary piece of music that makes it extraordinary indeed. . . . The Robert Politis family is forsaking Wildwood street for Millbrae Meadows and the Bob Collinses have traded their Broadmoor home for one in Westlake Highlands. Ginny just returned from a happy weekend with her mother in Salt Lake City. Thank goodness for airplanes! And thank goodness for Shirley Dillon, who took care of the Collins children. . . . Progress is steady on the new Presbyterian Church on 87th street, as the weather has been most cooperative.

One of the most attractive homes we've visited is Marion Lanson's on Midway. Furnished in an early American style, it has a coziness and charm that welcomes everyone. Many of the furnishings are testimony to husband Bill's ability for cabinet-making. He built the small pirate chest which holds logs for the fireplace, the miniature churn and firkin on the coffee table, the shuttered cabinet for the TV, two of the mirrors and a host of other things.

Well, 87th street isn't the only street to have a sewing circle. Nimitz and Midway joined forces and formed one of their own. Members include Kay Mattson, Betty Schmidt, Alice Travinsky, Edna Spediacci, Ruby McKenna, Barbara Rasmussen, Janet Gigli and Helen Gurwitz.

Speaking of sewing, Jean Brugge's 87th street home has had more than its share of threads on the carpet as she and other members of the women's group of St. Martin's Episcopal church gathered to make the things for the sewing booth. Something which promises to be popular "buys" are the yarn and paper poodles. They'll be at Westlake school on December 1, if you want to see for yourselves. Hear tell several husbands helped, too.

A surprise baby shower which was really a surprise was the one Shirley Terry, Ginny Collins, Shirley Dillon and Mary Jane O'Brien gave for Bea Gantert at the Terry's home in Ingleside. With such a nice big house, there was plenty of room for all the many guests—Billie Buchanan, Nita Delfino, Nicky Driscoll, Vi Murphy, Bernie Dorn, Pat Redmond, Dolores Reed, Helen English, Fern Goin, Grace Bobbitt, Cassie Azevedo, Dolly Durand, Marge Musto, Doris Cunningham, Inez Dryden, Kay Clark, Jean Cain, Alice Alexander and Dolores Helmer. Special attraction was the baby tree, with six small Ganterts and Tom and Bea on it, and a blue bassinet centerpiece. Neat trick of the evening was the serving of punch in baby bottles with straws, said bottles neatly wrapped in diaper coasters. Some clever gals in our town!

Open house at the schools saw hosts of parents, including some fathers, being escorted by proud children to see "their room" and "their teacher." Parents chatted with teachers, looked inside desks, picked out their children's handiwork on the wall, and enjoyed cookies and apple juice. Not the least item of the afternoon was the fact that it was report card day!

Speaking of schools, many people are concerned about children playing around the construction area at Benjamin Franklin, and well they might be. There are hazards aplenty, and all sorts of places for children to fall from or into, or get stuck in. Naturally, the kids find it a most fascinating place to play, but it is not a safe one. It would be a pity if a child were injured.

Another baby shower on the agenda—this one for Betty Cooper, given by Jean Wiitala and Dee Cowan at Dee's Thornhill home. It was an American Legion Auxiliary affair, with guests Kay Logan, Ann Zweig, Dorothy McElroy, Katie Flanagan, Helen Richardson, Cleo Cheskey, Betty Kass, Joanne Cross, Rally Hirschberg, Bobby Reiger and Mary Tore. Theme for the evening was pink and blue, still favorites.

The Auxiliary gals will be busy again soon, and likely everyone will know it, for they will be ringing doorbells for the Muscular Dystrophy drive on the 27th. Anyone wanting to help out may call Jean Wiitala at PL 5-6873.

Meanwhile, Happy Thanksgiving!

PERSONALITY SKETCH . . . Traveling along with hurling autos in a spectacular open road in North Ireland . . . behind the iron curtain in Russia . . . around th world three times with exciting adventures in exotic cities . . . this is only a part of the thrilling experiences of Globetrotter Myron Zobel on his new television series "Global Zobel" (Wednesdays, 6:30 p.m., KRON-TV).

For the press conference, Mr. Zobel showed the second part of the film that has made TV history, "Camera Inside Russia," and told us that series three will be shown in about a month. It is an excellent film showing a vivid picture of life in Russia today. An important part of the program is the narration given by Mr. Zobel, who flies up each week from Hollywood to do the program "live." In addition, he answers questions telephoned by viewers during the show. Extremely well-informed on the subject, possessing a dynamic and enthusiastic personality as well as an excellent voice, Mr. Zobel does an outstanding job in narration.

In talking to him following the program, he explained how he plans to travel for a part of each year, filming programs and spending the rest of the time in this country narrating them. He told us he has had many requests from schools to show the films, and hopes to make them available sometime in the future. He also informed us that in a recent audience survey, they discovered that one third of his viewers were children. KRON-TV has scheduled the program at a convenient time for youngsters. We certainly believe it is good television for the entire family.

CHILDREN'S CORNER . . . . Recently a new educational series premiered over KPIX called "Adventures in Print (Sundays, 3:30 p.m.), by the Library Executive of Central California in cooperation with the Oakland Tribune. The program takes the viewer on excursions through California's colorful past as well as giving information on library services available to the community.

We think the program is quite interesting and particularly like the tie-in with the libraries. A youngster watching the program may be inspired to know more about an historical figure or event that has been presented. He can then go to his library, which will have books on the subjects covered by the week's program. Also available at the libraries, including our local branches in Daly City and Westlake, is a schedule of the coming programs as well as a brochure listing books covering the week's subject. Next Sunday's program will feature California painters and cartoonists.

Two For Tonight

By Leonore Brewer

Reading last week's library column "Something for Everyone" with its reference to many fine books that have been made into films reminded us that it's been a long time since we've devoted a column to films. Not necessarily a review of a specific picture, but just chit-chat; items we've run across that seemed interesting but which failed to make the daily papers.

For example, did anyone go down to Loew's Warfield last week to catch the "sneak" of "Teahouse of the August Moon?" We were tempted to break a prior engagement for it, but our conscience wouldn't let us, so we can't give you a first-hand opinion. Should you be interested in second-hand opinions, we were told that Marlan Brando in the role of Sakini, the Okinawan interpreter, is a new Brando. We're not sure what the means, but if it's an indication that he has graduated from the scratch and grunt school, it's good news.

Talking about "sneaks," "The Rainmaker" starring Burt Lancaster and Katherine Hepburn was sneaked in New York Last week. This is one of those stories that leaves us completely cold. After seeing the play, we could only wonder why so many had gone to so much trouble to write, produce (and now film) something that has so little substance. Apparently, we are in the minority, as the audience recaction to the film was "terrific."

A Rash Statement

Does anyone remember Ramon Novarro? He came along somewhere after Rudolf Valentino and before Clark Gable. Well anyway, he's returning to the screen in his own production of "Just Passing By," based on "Padre Ignacio" by Owen Wister, whose best known novel is "The Virginian" which has several times been filmed.

Interested in revivals of old films, provided you can see them from a comfortable theatre seat and not a hard museum chair? How do these sound—"Mutiny on the Bounty," "A Tale of Two Cities," "Marie Antoinette," "Green Dolphin Street," and "Boy's Town?" Metro plans to reissue them during the next three months.

You certainly have to be careful of rash statements, there's always someone who'll remember them and bring them back to haunt you. A testimonial dinner was tendered to the Times' (New York, not Westlake) critic, Ed Schallert, and someone produced his first by-lined piece, written April 9, 1916, in which he said, "Five reels is too much for us. This picture will never be popular."

N. COUNTY LAWYERS SEEK ASSOCIATION

Second organizational meeting of a group of north county attorneys interested in forming a bar association for northern San Mateo county was held last week at Uncle Tom's Cabin in San Bruno.

The proposed association's territory would extend from and including Millbrae through Daly City.

Conrad Reisch of South San Francisco presided over the session and was named chairman of a committee to formulate a constitution and bylaws, which will be presented at the next meeting early in 1957.

Attorneys from Daly City attending included Tom Gallen, Bill Hanna, Hartley Appleton, Ed Molkenbuhr Jr. and James Duryea.

The group expressed its aim as "better service to the community."

Appleton and Lou Wexler of for a guard's services.
Millbrae are serving with Reisch on the bylaws committee.

159th Infantry Rgt. National Guardsmen Stage Practice Alert

Daly City members of the San Francisco 3rd Battalion, 159th Infantry Regiment, participated last Sunday in a practice alert, held in conjunction with the recent Civilian Defense "Operation Quiver."

After the local National Guardsmen got the alert signal, they scurried to their respective armories and were dispatched to key centers such as the City Hall and other "critical" points.

Rose Island, American Samoa, latitude 14° 32' S., is the southernmost point of United States territory.

Colma Woman Hits Council 'Lethargy' At McKeon Hearing

Dear Editor:

After attending the so-called "hearing on annexation of the McKeon tract" I am stunned that the proceedings should be termed "American government." Only one councilman spoke out for caution and further investigation.

It is amazing to me that councilmen who are supposedly "speaking for the majority of the citizens they are elected to represent" could act with so little regard for their Constitutional obligations to the people. Apparently, their only concern was "how big Daly City would be and how much tax money the city would have to spend."

I wonder if their attorney has been asked to examine the proposed annexation agreement and analyze it to see how many holes there are for the developers involved to wiggle through. You'd think the councilmen were millionaires on a spree instead of men charged with the responsibility of upholding the Constitution and protecting American citizens and their rights.

Where was the councilman who was so concerned with morale in the city government? Certainly, I saw little evidence of concern for anything but "how much the houses will cost the people who buy them and how much tax it will add to the city, county and state rools." That is American government? No wonder there is so much unhappiness in this area.

Stunned,
Mrs. W. H. Beck
431 89th street
Colma

COUNCIL OK'S FUNDS FOR CROSSING GUARD

Funds to make a crossing guard available at the Hillside boulevard-Market street intersection were voted by the city council last week.

Arthur Heulse of the Hillside PTA, making his second straight appearance before the council, protested that his group had been promised a full-time crossing guard last week but the man had not been stationed there.

"Weren't our instructions to the city manager last week to place a crossing guard there?" asked Councilman Micheal De Bernardi.

Mayor Joseph Verducci said the council had instructed Stites to put a police officer at the intersection.

By unanimous vote the council approved allocation of funds to pay

Transform School To 'Christmas Tree Lane'

Decorations by Roger D. Broussal, San Francisco artist, will help transform Westlake school's multi-purpose room into "Christmas Tree Lane," December 1 at St. Martin's Episcopal women's auxiliary annual bazaar, from 10 a.m. to 10 p.m.

Mrs. Chester S. Mattison and Mrs. Kenneth W. Brugge are co-chairmen of the affair to raise funds for a church building at Southgate avenue and Bradley drive.

Unique in the "Lane" will be the "cake walk" booth, for a game like musical chairs, in which the person standing on the lucky number wins a prize donated by a local merchant. Door prizes, including a portable TV set and an electric fry pan, will also be distributed throughout the day.

Bazaar participants await with interest the unveiling of a "surprise" booth manned by three masculine bolunters, Dick Phillips, Walt Michels, and Ken Brugge.

Gifts and foods from South America, Hawaii, France, Germany, and England will be sold at parcel post and bakery booths operated by Mesdames Gordon P. Andrews, Agnes Colegrove, John E. Ellis, and Frank Specht Jr.

About 40 women have contributed fancy work, such as handmade dolls, toys, baby gifts, linens, and aprons, to be offered by Mrs. D. R. Wainwright and Mrs. Clark Miller at their booth.

Handmade candles by Kathleen Broussal and Betty Eldering, whose work is displayed by a leading San Francisco florist, will be among Yuletide ornaments, felt Christmas stockings, and "kissing rings" shown at Mrs. Donald S. Piercy's table.

Numerous prizes will be awarded by the Young People's fellowship at their fun booth games; "white elephant" bargains have been collected by Mrs. Walter Michels and Mrs. Richard Phillips; and a colorful selection of choice garden and house plants will be available from Mrs. Stanley Meyer and Mrs. Merle Taylor.

Refreshments will be served at the snack bar by Mesdames Gordon Raeside Jr., Artthus Cranor, Joseph Bonavito and Robert Abbott.

SIXTH GRADE
MRS. McCLELLAN
By Toni Rae Longueira

A committee of boys in our class are building a cage for an animal. We plan to take a trip to the San Mato Junior Museum to decide which kind of animal we want. The museum will lend us several different types, so we are looking forward to making a choice.

Mr. Huajardo, Ronald Cook, our classroom representative, and other people from other classes have organized kick ball teams for the fifth and sixth grades. We have chosen names and colors for our teams. The girls are taking part in the noon-hour activities by organizing pep clubs to cheer for their teams.

SIXTH GRADE
MRS. GOLDBERG
By Judy Reginelli

Our class has won two games in the noon-time sports program. The captain of our team is Ronald Sampino. We won today, the score being 10-3. I am sure our classmates are satisfied over our victory.

Our class is learning about Mexico. We have committees on Mexico's home life, exports and imports, history and many other important subjects. The people working on a bulletin board for exports and imports are Judy Reginelli, Karen Bradshaw, Richard Porcelli, and Rita Leo. A diarama is being made by the Home Life Committee of Karrol Robertson and Carolyn Marchion. Our relief map is being made by David Tylinda, Kenneth Klassen, Richard Vaznaugh and Ronald Sampino. View boxes are being made by quite a few people in the class. Through these varied activities we are learning about Mexico.

B. W. Gerdes, school principal, discovered the loss Friday morning. He said the culprit entered by breaking a window.

L. Bocci & Sons, Monuments—located at 7778 Mission street in Colma—might well have been just another firm manufacturing and merchandising Memorials . . . but for the philosophy of Leopoldo and Maria Bocci who, back in 1890 left their native Tuscany to see surcease of sorrow and citizenship and a new future in America.

Landing on the wild and heavily wooded coast of Oregon they found Indians—a rough way of life and work; for Maria at home and Leopoldo using his artisan's skill to help build the Cascade Locks on the Colombia river.

Stil lsearching, they traveled to Montana and then to San Francisco where Leopoldo helped fit the still strong masonry of the Ferry Bldg. . . . Their search ended in Daly City.

There, with their family of four girls and three boys they started the firm of L. Bocci & Sons and so deeply implanted in those children a warm hearted philosophy of SERVICE and understanding of anguished hearts suffering loss of loved ones that even in this year of our Lord 1956—it shines out of every face and every bit of work done at L. Bocci & Sons.

Their children and their children's children, following the wisdom of Leopoldo "That to serve, one must first learn to live with others" have traveled, studied and worked in many other fields and places. Always, however, there is a family nucleus to serve you at L. Bocci & Sons with hands and heart.

Now, as a memorial to Leopoldo and Maria, L. Bocci & Sons is renovating and modernizing both the offices and workshops—a job postponed for 25 years because of wars and their attendant labor and material shortages. But the spirit of service to you which began so long ago will remain the same sure, strong thing it was when L. Bocci & Sons began!

GOP Women Hear Dope Dangers Told

Inspector William J. Moran of the narcotics division of the office of Sheriff Earl B. Whitmore in San Mateo county presented an educational talk before the members of the northern chapter of the San Mateo County Federation of Republican Women last week at the home of Mrs. Laila Porterfield.

Inspector Moran, addressing mothers from various points of northern San Mateo county, presented the picture of the early dangers confronting youthful temptations and attractions to the so-called thrills of "trying out" marijuana—which could lead to the more dangerous and habit-forming use of drugs.

He said, "It is too bad I cannot get to—nor can Sheriff Whitmore talk with—the mothers and fathers from broken homes and separated families. It is here where we encounter the greatest danger from the temptations."

"Delinquency is a problem which confronts families from the rich through the poor," Moran continued. "However, I am happy to report to you fine mothers that it is not as bad as generally pictured."

Sheriff Whitmore's office is constantly on the alert for persons who would intimidate youth and cause any use of any drugs, Inspector Moran said. It is, he said, the old story of "an ounce of prevention."

It was the third meeting of the Federation of the Northern Chapter which are held every second Tuesday with the next meeting scheduled for December 11 at the home of Mrs. Jene Edwards, 1715 Louvaine drive, Broadmoor.

Acquaint Parents With Girl Scouts At Joint Meeting

A joint meeting of Parkview, Peoria, and Sterling Park Girl Scout neighborhoods, was held last week at the community center to acquaint the parents with the Girl Scout organization, and organize new troops. The meeting was held a great success. Most of the girls whose parents attended the meeting were placed in troops. Several new troops were started, and more will be in the very near future, as many parents permission slips are being sent in. As soon as these parents can attend a meeting their daughters will be placed in troops also, the Girl Scout spokesman said.

The meeting was started off with community singing. The singing was led by four first class Girl Scouts of Troop 149, Dolores Spinetti, Reha Stafford, Linda McGowan, and Loretta Durham. They are now going on to senior Scouting in a Mariner troop.

The meeting was conducted by Mrs. Anita Spinetti, troop organizer of Parkview; Miss Margaret Dadey, the executive director of North San Mato Council, gave the orientation and slides of the troop committee.

Cub Pack 62 Sets Big Fund-Raising Potluck Dec. 7

Plans for a December 7 potluck dinner were outlined recently at the regular meeting of Cub Pack 62 in Bellevue Hall.

H. Meneken, Ways and Means chairman, presented plans for the big event, which is the Pack's main fund-raising affair of the year.

Top item on the agenda was approval of a motion to secure a sponsor for the Pack.

A Christmas planning committee was named with Mrs. V. Perry as chairman. Assisting will be Mr. Barnett, Mrs. Petersen, Mrs. Ahuna, Mrs. Appleby, Mrs. Abigana and Mrs. Klassen.

Also firmed was a trip to the Planetarium in Golden Gate Park on December 8. The Cubs' latest outing was a swimming session at the Jeff Hi pool last Friday.

Featured at the meeting was a puppet show presented by dens headed by Mrs. Hall, Mrs. Fiori and Mrs. Valencia. The puppets were made by the Cubs and the performances were well received.

The evening was topped off by an Indian ceremony around a lighted campfire, where new pledges were welcomed to the Pack.

New Bobcats are Bobby Abigana, Russell Moffett, Gregory Birdick and Billy Reveria. Conducting the ceremony were Scoutmaster T. Torres and two Webelos denners, Larry Ahuna and Tito Torres.

Besides Miss Garten, the girls leading the marching unit of Cal Poly's fast-stepping 48-piece band are: Patsy Tuley, elementary education, Paso Robles; Dottie Fuller, biological science, Grover City; and Marlyn Christensen, home economics, Galt.

Two out-of-town motorists were injured shortly after noon in Westlake Saturday when their cars collided at the intersection of Skyline and Alemany.

Police said the accident occurred when a car driven by John H. Kiefer, 3663 Alameda street, Menlo Park, was struck by another driven by Mrs. Virginia Hudson, 924 Mendocino, Berkeley.

No citations were issued pending further investigation, police said.

Mrs. Hudson, a housewife, was taken to Junipero Serra hospital by ambulance where she was treated for deep scalp lacerations, abrasions and contusions of the head and a possible fractured hip. She was transferred to Alta Bates hospital in Berkeley.

Kiefer, 22, an accountant, suffered head cuts and bruises and a fractured finger. He was released after emergency treatment.

Capuchino Rips Crippled Jeff, 40-13; Indians Nix Odds Favoring Warriors

Still feeling the lumps of a 40-13 pounding from Capuchino's thundering herd Friday, Jefferson's battered Indians were prepared to throw the works at traditional rival South City in their Turkey Day titanic on the Tribe turf.

It was homecoming at last for Coach Joe McGrath's crew and they hoped to salvage a dismal season with an upset. Defeat for the Warriors and a victory by Capuchino over Hillsdale would hand the North PAL crown to the Mustangs on a silver platter.

Landslide Affair

The Caps wasted little time in burying the Indians Friday as they handed the locals their third loop loss and fifth setback of the campaign.

Paced by the nifty passing of Gene Tagliaferri and a corps of lightning backs, the Caps bolted for two quick scores in the first period and walked off at halftime with a 20-7 lead. They tallied twice in the third quarter and got their final six points in the last stanza.

Crippled Jeff's only punch was the passing of QB Paul Tapia, who scored both Indian TD's and connected for 116 yards on 10 completions in 33 tries. Delmar Scott snagged six of Paul's aerials and Tom Cloutier, everybody's All-League candidate, came up with four sensational grabs.

Look At Charts

Capuchino's edge in the statistics matched the gap in the score. The Mustangs led in total yards, 347-160, and first downs, 20-7. They steamrolled for 215 ground yards to a paltry 44 for Jeff and ruined other Indian thrusts by intercepting four of Tapia's tosses.

Only 1:45 minutes of the game had ticked off when Cap got its first score as Jim Smith speared a Jeff punt on the Indian 42 and raced all the way.

A few minutes later, Jerry Scatini hustled 30 yards for the second Mustang tally. Clark Bennett smashed over from the two early in the next period to make it 20-0.

Tribe Rallies

Jeff narrowed the count just before the intermission as Tapia cracked over from the two. Tackle George McNutt set up the drive by recovering a Cap fumble on a punt return. A spectacular 22-yard pass catch by Cloutier was the key manuever in the march.

It was all Capuchino in the third period as John Papini hauled in a 45-yard aerial from Tagliaferri and Gary Russell rolled 72 yards to paydirt on a pass theft. Russell also snuffed out a Jeff push in the same quarter by snaring one of Tapia's heaves in the Cap end zone.

Two strikes from Tapia to Scott accounted for the Tribe's second and last tally in the closing quarter. Paul capped the spurt with a two-yard plunge.

But Cap wouldn't let up and drove right back for their sixth counter. Again it was Smith who did the damage with a two-yard buck. The Mustangs then started another rally and were on the Jeff 12 at the final gun.

Injuries Costly

Skipper McGrath wasn't too disheartened despite the landslide. Jeff just didn't have a ground attack as four Indian backfielders sat out the contest with injuries. They were fullback Lee Casentini, halves Sonny Martinez and Ed Leveroni and reserve fullback George Domenici.

Domenici, a good prospect, was listed as a "probable" for the South City scrap, but the rest were definitely out.

Another mishap gave McGrath additional cause for fretting Monday when Tapia broke the little finger on his left hand in practice. Although not too serious, the hurt figured to handicap Jeff's chances for a surprise as Paul's passing appeared the Indians' chief weapon.

McGrath praised Cloutier and Scott and guard-linebacker Bill Riedstra as "stickouts" against Cap. Riedstra and South City's Joe Butcher are top contenders for all-loop recognition, while Cloutier appears a cinch as he leads the North PAL in pass receptions.

Tydingco, Roy Reitz Cop NPAL Cage Scoring Titles

Deadeyes Gordy Tydingco and Roy Reitz wrapped up North PAL lightweight cage scoring titles last week as Mike Orlich's Jeff fives split with South City in final loop action.

Tydingco nailed the 10's honor with a 20-point outburst to pace his mates to an easy 37-21 win. This gave him 103 points in eight games for a 12.8 average.

Reitz bagged 15 in the nightcap as the Warriors prevailed, 53-29. Roy thus was supreme among 20's pointmakers with 116 points for a 14.5 average.

The 10's finished in a tie with Capuchino for third place. Both squads had 5-3 marks. San Mateo took the title with a 7-1 slate, and Carlmont and Westmoor deadlocked for second with 6-2.

Reitz was virtually the whole show for the Jeff 20's all season. They managed only two wins in eight games and tied with Capuchino for seventh in the standings.

San Mateo's quints captured both division titles. The Bearcat 10's posted a 7-1 mark, while the 20's downed Carlmont in a playoff Thursday, 50-43.

The Mateans met the South PAL champs yesterday—Menlo-Atherton's 10's and the San Jose 20's—for the league titles.

Westmoor's Tens Nip Scots To Gain Tie For 2nd Spot

Westmoor's pesky 10's cagers gained a tie for second place in final North PAL standings last week by outlasting a scrappy Carlmont five, 33-30, on the loser's court.

Defeat knocked the Scots out of a deadlock for the title and handed the crown to San Mateo. The Rams and Scots bowed out with 6-2 marks.

Despite Russ Holmgren's 21 points, the Ram 20's were bumped for their eighth defeat in the nightcap, 56-43. The Scots led at the half, 29-20, and pulled away, 42-27, going into the last period.

Carlmont and San Mateo thus ended up in a knot for first place with 7-1 slates, but the Bearcats copped the title two days later in a playoff, 50-43.

Pacing Byron Van Alstyne's 10's in the finale were Baker with 12 points and Dougherty with 10. Scot Justus was high man for the tilt, however, with 14.

The game was nip and tuck until the final minutes when the Rams broke fast to cinch it. Intermission count was 16-all, and the two quints were locked 26-all at the end of the third quarter.

San Mateo's fives met the South PAL champs Tuesday in league showdowns. South PAL kingpins are Menlo-Atherton's 10's and the San Jose 20's.

Duffy's Kids Drop Finale; Finish With 7-9-1 Slate

Lowell Creighton's Duffy's Corner horsehiders concluded a weary 17-game campaign Saturday as they lost a 7-3 battle to Podesta Nursery in final Mid-Winter League action.

Defeat left the luckless Irish with a 7-9-1 record—not bad considering they carried only 10 players since they launched play in mid-September. They copped second in the Sunday loop, but were also-rans behind the champion Portola Clubs and runnerup Podesta in the Saturday circuit.

Podesta cinched Saturday's windup tilt with a big rally in the seventh frame after one man was out. Billy Ludwigsen had checked the Nurserymen on six hits over the first six frames, but succumbed to the last-ditch outburst.

Tom McHugh, the club's leading sticker, powered the Duffy attack with two hits, one a homer. He accounted for all three of his team's runs, also scoring by stealing home and coming across on a single by Bill Hynes.

Johnny Souza, whose triple sparked the Podesta rally, was credited with the win. He took over mound chores in the sixth, relieving Holmes.

McHugh's plate average for 16 games was a hefty .422. Ludwigsen was Duffy's top flinger with 3-1 mark.

Creighton said he and Coach Harry Krohn will field the same team next March. He issued a special word of "thanks" to sponsor Frank Duffy, who backed the kids in mid-season and "gave them a tremendous lift."

SF STATE GRIDDERS SHARE FAR WESTERN LOOP CHAMPIONSHIP

San Francisco State's gridders gained a share of the Far Western Conference championship Friday by swamping Chico State, 47-25, in Cox stadium.

The win gave Coach Joe Verducci's team a 4-1 league mark, same as Humboldt State and the Cal Aggies.

QB Manuel Perry sparked the Gator victory with a 94-yard punt return and two scoring passes. Other highlights saw Jim Sochor passing for two tallies and Jim Puccetti rambling 74 yards on a kickoff return.

Chico led in total yars, 417-359, but never was in contention after the locals piled up a 20-0 lead early in the second period.

The Gators finished with a season record of 5-5. Their biggest win was a 10-0 upset of the Cal Aggies two weeks ago.

Men's Club Eyes 1000 For Fights

Somewhere between 800 and 1000 persons are expected to converge on the Daly City community center next Thursday night for the OLPH Men's club's renewal of amateur boxing.

At least the men's club earnestly hopes that many people will show up. If they do, it'll mean a few bucks in the kitty for the groups philanthropic programs. If the turnout is less, chances are the OLPHers won't take chances on getting "stung" any more.

The churchmen are basing their aspirations for a couple of promising lightweights. Woods is a golden Gloves champ, while Perez boasts an undefeated record.

That some of the Daly City performers often go on to greater things was attested to recently when Luis Molina was named to the U. S. Olympic boxing team.

Molina, a stylish lightweight, put in two successful appearances for Daly City audiences.

Second main event pits undefeated middleweights John Lawther of San Francisco and Jimmy Bouvart of San Jose, unbeaten in 14 and nine outings, respectively.

In the bruiser class, heavyweights John Hennessey of South San Francisco and Dave Bradley of San Francisco will trade leather.

Four other bouts will round out the program. Opponents for these contests have not yet been named.

Admission is $1.50 for ringside, $1 general admission. Refreshments are served at intermission in the room adjoining the main gymnasium.

Bouts and officials are sanctioned by the California State athletic commission.

DC BRAVES EKE PAST CAFETERIA KIDS, 3-2

Daly City's Braves got back on the victory trail Sunday by nipping the Moar's Cafeteria nine, 3-2.

Winning moundsman was Mike Zupo, who scattered four hits, walked an equal number and yielded two runs.

George Corso was the leading sticker with two singles. Zupo and Jerry Tissiers also rapped singles for the Braves.

Ronnie Townsend, Braves' first sacker, was the defensive standout with nine assists.

TRAVEL

There are more than 61 million registered motor vehicles in the nation today, traveling about 590 billion miles a year, reports the National Automobile Club.

Warrior Frosh-Sophs Knot Wattmen In Finale, 19-All

Jefferson's hustling Frosh-Sophs blew a two-touchdown lead in the last six minutes Thursday and had to settle for a 19-19 tie with South City in the North PAL curtain dropper for both schools.

Two long passes set up the deadlock as the cellar-dwelling warriors stormed back to beat the gun. Both desperation drives were capped by plunges, with George Leonard accounting for one and Mickey Corso the other.

Jeff's Pete Garcia opened the scoring in the first period on a two-yard sneak. The Indian yearlings tallied again in the same session only to have the maneuver erased by a penalty.

Garcia put Jeff two touchdowns ahead in the second quarter with a 30-yard toss to Andy Scalese. Corso's short shot narrowed the gap to six points just before the half.

The Indians appeared headed for their second triumph early in the fourth period when Jim Ahern cracked over from the two to make it 19-7. But the young Warriors took to the airlanes and produced the stalemate.

The tie saved the Indians from the basement and left them with a 1-5-1 record. Their lone win was a 34-7 surprise over Hillsdale. South City wound up at 0-4-3.

Capuchino bumped Hillsdale, 12-0, Thursday to cop the championship with a 7-0 campaign. Burlingame finished second by routing San Mateo, 40-13, and Carlmont spanked Westmoor, 27-0, in the other loop tilt.

RAM VARSITY SNAPS LOSING SKEIN; DUELS CUBBERLEY IN WINDUP CLASH

Given a much needed spark last week with a 13-0 win over Riordan's Jayvees, Westmoor's varsity Rams marched boldly into Palo Alto Wednesday afternoon to have at unbeaten Cubberly for a second time.

The Rams' first victory Wednesday after five setbacks perked them up considerably for their closing clash. But Coach Dutch Meyer has a healthy respect for the Cougars after they lashed his troops, 46-6, a month ago.

Like Westmoor, the Cubberley squad is playing its first season of football and won't enter PAL competition until next year. But the Cougars have a much bigger student body to draw from, and from their record to date, 7-0, they're loaded for all comers.

Meyer doesn't expect a surprise by his lads, but they figured to make it much closer than las time.

Leading the way were Ram field general Larry Harper and his fast-coming backfield mates, halves Leo Wyreck and Rich Hottal, and fullback Gary Pederson.

Harper has two promising targets in Larry Schoenfeldt and Carby West, and a sturdy "inside line" which figures to give Meyer a strong nucleus next year. Ram dependables up front are tackles Jim Lansing and Bob Simi, guards Paul Giomi and Steve Robinson and pivot Marty Knedel.

Besides the Cubberley landslide, the Rams have been spanked this season by Sunnyvale, 39-0, twice by Los Altos, 39-0 and 52-15, and they dropped a 19-6 skirmish to South City's Jayvees.

SAN PEDRO LUNCH KEGLERS CLOSE IN ON LOOP LEADERS

McGahey & Olson's threat to make a runaway of the Daly City-Colma League was erased Tuesday night at Brentwood Bowl as three teams moved closer to the top spot.

The loop leader's margin was hacked to a single game as they dropped a 2-1 decision to Bank Of America. San Pedro Lunch, meanwhile, bolted into second place by blanking hapless Edisco.

Brisbane Market and the Towne House pulled to withing two games of the top spot with decisive wins. The Brisbaners split-decisioned Plaza Furniture and Towne House whitewashed Vince & Fred's.

Westlake Homes stayed three games behind the pace with a 2-1 nod over Carmona Chemical.

Other 2-1 winners were Carlo's Pizzeria over Thur Meats, Daly City Cleaners over Luce Meats and Donnellan Realty over Paul's Flowers.

Towne House's B. De Lucca, the loop's top bowler from the standpoint of high average, posted the evening's top series with a 627 tally. He rolled games of 203, 219 and 205.

High singles was chalked up by J. Messina of Donnellan Realty with a 232 second game. He added 214 and 171 games for a 617 series.

RAM YEARLINGS BELTED BY SCOTS IN WINDUP, 27-0

Westmoor's Frosh-Soph gridmen rounded out their first North PAL campaign Thursday on the losing end of a 27-0 battle with Carlmont on the Scot field.

It was the third shutout defeat for the Ram yearlings and their fifth setback in seven games. They wound up in sixth place with a 2-5 record.

Carlmont ground out the decision by scoring in every quarter. Rod Losberger's Rams couldn't get closer than the Scot 30-yard stripe all afternoon.

Unbeaten Capuchino captured the loop title with a 12-0 job over Hillsdale. In other finales, Burlingame blasted San Mateo, 40-13, and South City tallied twice in the last six minutes to deadlock Jefferson, 19-19.

Although low in the standings, Losberger's legions played creditable ball in their first campaign. After dropping their opener to Hillsdale, 12-6, and losing to Cap, 26-0, the Rames nipped Jeff, 6-0, and then tripped South City, 12-7. Burlingame then scored a 52-0 landslide and the Rams were still reeling as they lost their next to last cor[illegible] to San Mateo, 47-7.
